

First Sajdah

Your first days

Welcome. We are so glad you are here.

You don't have to learn everything this week. Go one step at a time.

You can start praying today, beside someone, while you learn the rest.

Find someone to learn with: a teacher at the masjid, or a mentor of your own gender. You don't have to do this alone.

Be gentle with yourself, and kind to your family.

Where to go next

Your masjid: _____ , _____
masjid name class day and time

Ask for: _____
first name of welcome lead
